Dear Mr. Inglesby,

This letter is written to let you know how much we appreciate the partnership with I & M Industrials. Your company has been supplying Hexcel (formerly known as Clark Schwebel) with quality equipment and service for many years.

Services and product that include: Garner Denver Air compressors, Domick Hunter filters, AIRTECH dryers, Asco Solenoid valves, Sarco Steam products, Ashcroft gauges and other product that have kept our plant running and also have helped reduce downtime in our facility.

I would like to personally thank Chuck Martin and Tom Carter. Chuck has performed service on our Atlas Copco air compressors for the last three years. He is very professional with his service and abilities. Tom Carter has been there when we have needed him. He has worked on steam system problems, provided parts on breakdown situations and is always there when we need him

Thanks for great service!

Sincerely,

A handwritten signature in black ink, appearing to read "Danny Seabolt", written over a horizontal line.
