Brett Easterling  
I&M Industrials  
P.O. Box 8775  
Greenville, SC 29604

Brett,

I wanted to thank you, Jim Murdock and all of I&M for the great service and good advice given over the past 18 months or so that we have done business together. Our air compressor reliability is much improved, and the landfill gas compressor was critical to the success of our methane recovery project.

Thanks for the help. I look forward to continuing the relationship.

Craig Tucker  
Maintenance Manager
